

## RETRouvaille VANCOUVER

... [A Lifeline for Marriages](#)

**Spring Program - May 16-18, 2025**

Is your marriage suffering with the pressures and stress of everyday life, the challenges of current times, or a recent crisis? Have you drifted apart or lost closeness? Are you unhappy, unfulfilled, lonely or even *miserable* in your marriage?

"Retrouvaille," which means rediscovery, is a program that has helped hundreds of BC couples of all ages and stages of marriage recover from all kinds of marital trouble or crisis -- even seemingly insurmountable problems! We are here to tell you that **THERE IS HOPE!!**

Retrouvaille is presented by experienced volunteer couples who attended the program and recovered their own marital harmony. Just as they did, you too can gain renewed trust, commitment, fidelity, respect, and intimacy! If your problems are small but troubling, the communications skills you learn will get your marriage back on track for a happy life. Even if your problems seem too big or you have already separated and/or think divorce is the only answer, we assure you that Retrouvaille can take you from misery to ecstasy in a few short weeks! The program starts with a weekend retreat, followed by 12 weekly two-hour Zoom post sessions.

Retrouvaille is dramatically effective, and affordable. ***No couple is turned away for lack of funds.*** It is open to couples of all faiths (or none) and has been recognized by Pope Francis and Vancouver Archbishop Michael Miller.
